## **Useful information sheet**

Keep in a safe place and write your details clearly

Name

Date

All passwords should be unique (same core + unique letter/s – so easy to remember)

| Online purchase or membership, e.g. Amazon |  |
|--------------------------------------------|--|
| Name of Account                            |  |
| Username / email address                   |  |
| Password                                   |  |
| Name of Account                            |  |
| Username / email address                   |  |
| Password                                   |  |
| Name of Account                            |  |
| Username / email address                   |  |
| Password                                   |  |
| Name of Account                            |  |
| Username / email address                   |  |
| Password                                   |  |
| Name of Account                            |  |
| Username / email address                   |  |
| Password                                   |  |
| Name of Account                            |  |
| Username / email address                   |  |
| Password                                   |  |
